### PRESIDENT'S REPORT:

President report: Charlie said we had a great turn out at our July 5th 2014 MCCPA picnic. He thought everything went well and he hopes everyone had a great time.

## NEW AGENDA ITEMS:

We are looking at having another one soon. Unfortunately one of our newest members Deb and Stan Vansickle had a car accident where their car was totaled. They were injured and the club sent flowers and a card. I heard they were very appreciative of everyone's concern and well wishes. They have already acquired a new 2014 Ruby Red Vert'. We hope they are all mended up and can't wait to see this new ride.

Charlie brought up that we need to stick to our agenda because the LB SMITH Sales staff work a long day and when 8:00p comes around they are all ready to leave. So from here out we must be done and out of the building by 7:50p no later.

New Business: The very next meeting which is August 21st 2014 is very important and we need as many members as possible to attend. We will be discussing our Roundup (show). We need many volunteers to make this happen so please come out. You must have your pre registration in by August 1st to get the 15.00 discounted price this applies to all members.

Old Business: Barry Klunk acquired our 50th Anniversary package for us at Charlotte and we did get another package and will be getting more keychains to give out to our new members. We made \$300.00 off of the first package so it really did pay off to buy it. Thanks Barry!

We talked about having another picnic either August 10th August 23rd at a local park possibly. Suggestions were Little Buffalo or Fort Hunter.

Max did let everyone know that he will be doing another LL Bean Order in the near future. If you are interested in an embroidered polo shirt please let Max know.

Our club now has show flyers, posters, and sponsors sheets. Please take what you need and distribute.

Kathy Armstrong is getting together with past Presidents and they are going to sponsor a class and split the cost.

Bob Ardner has been working on getting baskets together for our basket raffle if you have anything to contribute please bring it to the next meeting or to the day of the show. Chip Young will be contributing a Mustang model and a concept cobra poster.

Kathy Armstrong has contacted Ford Racing and they have graciously sent us promo catalogs, Ford racing fender covers, Boss 302 Valve covers, and Ford flags. Big kudos to Kathy and a big thank you to Ford Racing.

Mike Cole has graciously acquired Mustang models that snap together for the kid's model for kids to put together and take home, not a contest. Maybe we could call it "Build Your Own Mustang." Thank you Mike.

We need volunteers for the gates, parking, registration, etc for our upcoming Roundup 2014(our show). We will have sign up sheets at our next meeting. We need alot of help so all volunteers are very appreciated.

We also need show signs for the bathroom, Registration, etc. Cathy Klunk has volunteered to make those. Cathy please email Erin because they want to Laminate them so they last longer and we can keep them from year to year.

Ron Abers brought up the subject of contacting other local clubs in the area. He will be contacting North Central Mustang Club of Pa. about attending our show and giving them show flyers. Max Remington will be contacting the Mustang Club of Maryland and the York Mustang Club.

Max is working on the Bethany Village flyers and Covered Bridge flyers. Bethany Village is going to be held September 27th 2014 and the covered bridge cruise is scheduled for October 26th 2014.

Max needs pictures and write ups about MCCA members submitted to him so that he can post them on our Website. You can email him at [slotmaxr@aol.com](mailto:slotmaxr@aol.com)

Bob Ardner submitted our IRS 990 form to them. He hasnt heard anything so he's assuming everythings ok.
