Max suggested that we have something that points out that we are the local MCA club for the Carlisle area. We received flash light key chains and Koozies with our name. These items will be handed out at the Ford Nationals. Paul Bellis is looking in to adding the Club info to a tag on the key chains. It was suggested to have a wrist band or something that identified club members at the tent. Cathy Klunk reported she had person signed up to greet new members on Saturday and had 25 different member s signed up to bring food. Some members will also be at the Ford Nationals on Friday. Carlisle Productions announced that there will no longer be parking by club tents at the Ford Nationals. The Sentinel advertisement is complete.

Round Up, the Round Up flyers have been delivered to Carlisle productions to be placed in every goodie bag at the Ford Nationals. Max will assist Erin in providing a high resolution version of the Round up flyer without the bottom sign up part to be made into a poster. We received 50th celebration package, the items will be used at the Ford Nationals, Cjs Customer appreciation day and the Round up, some items will be auctioned off at the Round up. In respect for anyone whom will be offended, the Chinese Auction is now called the Basket Raffle. Joe Cressler said he needed more Round Up flyers and tri folds for CJ Pony Parts. He took all that Max had at the meeting.

Sponsors, we still need more sponsors for the Round Up, the sponsorship form is available in the members section of the website, or contact Erin

The MCCPA website, Max needs more member car pictures to put on the club website. The member section now restricted to members and has a password. The bill for the website provider should now go to Charlie Boyd or Robert Ardner III. Max's plan is to replace the slide show and text on the front page on the 50th anniversary with the Ford Nationals, and then replace that with the Round Up and finally over the winter, replace the Round Up with the Members rides.
