TROPHY’S.....to save money, we could reuse the trophy’s by mailing the winners their name tags after the show....

ROUND UP VOLUNTEERS NEEDED.....

The club needs volunteers to help with this year's Round Up...Cathy Klunk has been in charge of the Chinese auction (this is a big money maker for the club) for several years and has done a great job but she does not want to do it again, so we need a member to volunteer for this job...

Barry Klunk volunteered to call about getting a dyno for our show....

Kathy Armstrong will be writing letters to the vendors for the club...

Please contact President Charlie to volunteer.....

ALL FORD NATIONALS AT THE CARLISLE FAIRGROUNDS was also discussed at this get together.....BIG PARTY FOR THE 50th..!!!!

Club members would like our tent to be manned at all times.....to give out small club trinkets with our club logo/website on them, like a cozy for stopping at our tent and a coffee travel mug for joining our club....Paul Bellis will look into the cost of these trinkets.....

This was a fun and enlightening get together.....all for the good of the Mustang Club of Central Pennsylvania.....

Please contact President Charlie with your ideas....
