It was decided to assemble Goodie Bags on Saturday morning, along with Pre Registrations which number 31 at this time. Agreed to pack up the Explorer Friday night with show items need and drive over to Fairgrounds so that they will be there Saturday am. We are unsure if our speaker system will be powerful enough, Mike

Cole suggested we ask Ken if we can plug into Carlisle's system. Also, Charlie has ordered longer speaker wires for Performance Motors, and this will enable us to spread speakers farther apart. Doug Phillips from What an Impression, who was very popular at The Chicken Show in Hanover, has been contacted by Bill and he is interested in being a vendor. We will have the same food vendors as previous. Official report time for Club Members is 7 am, registration will start at 9 am. Club members are asked to wear a Club labeled t-shirt so that they will be identifiable. It was agreed that \$300.00 would be the award to the VoTech Student.
