President Charlie Boyd called the meeting to order at 1 p.m. and then led all present in The Pledge of Allegiance, and after thanking all present for coming out to the meeting, began Round Table Introductions. He then stated that the Final Meeting/Banquet Minutes of 11-14-15 and The Board Meeting Minutes of 1-9-16 were posted to the club website and available to all to read. He asked for a motion for approval, motioned by John Garner and seconded by Robert Swartzell. Treasurer Erin Boyd then gave her report, stating that hard copies were available to all at the welcoming table, and reporting that there is presently \$2,627.34 total funds in the club account. Erin invited anyone with questions to present or see her in private. A motion was made for approval which was made by Barry Klunk, and seconded by Rosemary Yakubowski. Erin then reported 198 members with possible additional applications in the club postbox. Robert Swartzell noted that a change of car color needed to be made on The Roster. For the Presidents Report Charlie noted that Fabrizio Schenardi, Editor and Founder of MUSTANGMANIA.IT magazine, was visiting Rouch Racing and Ford Performance from Italy. Fabrizio had alerted the club to his visit to CJ Pony Parts and asked if we would like to meet. Secretary Bill Schiel met Fabrizio and his photographer on Friday afternoon at CJ and went on a tour of the facility. Later that evening Charlie, Erin, Bill, Millie and Glenn Beck met them for dinner in Bethel, Pa near their motel. Needless to say Fabrizio is a Mustang enthusiast and we all had a great time talking cars. Charlie concluded his report by remarking that the upcoming year was packed with events as everyone will become aware of shortly. Under Old Business Charlie reported that the new revised Bylaws were posted on the website. New Business started with Vice President Max Remington reporting that there will be a new password for members section on website, there will be a new color coded calendar for the website, and that a newly completed History of The Club, researched and compiled by Terry Weidemann, will also be posted to the website shortly.
