Presidents Report: tonight is our last regular meeting of 2017, tonight we will be nominating the Officers for 2018. So far, Chuck Sennett is nominated for the vacant VP position, and Ashley Singer for the Secretary position. There are nominating ballots on the table in the back for additional nominations for any Officer positions. Max asks for volunteers for both The Covered Bridge Cruise and MCCPA Banquet.

Old Business: regarding MCCPA logos and merchandise, members have used our logo for one off jackets and other items. Please let VP Paul Bellis know so we can keep track. Anything that is mass produced and/or sold must be approved by the Board first.

The Club seeks help with new positions of Property Management and Show Management. Max has negotiated a \$100 fee to Horner's BBQ for Round Up. Joe Grace has not been invited to Covered Bridge, considering next year's Round Up.

New Business: Carlene Warner is heading up the nominating committee. Nominations of 2018 Officers at present are,

President: Max Remington
Vice President: Paul Bellis
Vice President: Chuck Sennett
Secretary: Ashley Singer
Treasurer/Membership: Jen Gamber

The Point System has been a much larger task to track than expected. The Board is coming up with a replacement for 2018. We still plan to reward members who attend MCCPA events and participate.

Max asked what type of events members prefer for 2018. No immediate response.

Cruises/Shows/Other Events

The Covered Bridge Cruise still has slots open and the Club needs volunteers to help with registration and parking.

MCCPA Annual Banquet will be at Kauffman's BBQ Restaurant November 18, 2017 from 1p.m. to 6 p.m. Barb Bloom has organized a Cruise before the Banquet. At the Banquet we will be electing the Officers of MCCPA for 2018. We will also be presenting awards for the 2017 season point system.

Jim Nelson is heading up the New Years Bowling Party being held at ABC West Lanes.

We are constantly updating the 2017 & 2018 Event List. We welcome other shows and events, however we will always give priority to MCCPA events, and we may not list another event if it conflicts with an MCCPA date. If you are planning to attend a show please coordinate with Max.
