We are still working with the vendor to get a link to order MCCPA apparel. It will be on the member's page. The link will allow members to order the size and color they desire.

Reminder to renew your membership by April 15th for the \$10 discount.

The next planning meetings will be held at York Motorcycle Club from 1 pm – 4 pm, Sunday April 2. At the planning meeting we will be planning Ford Nationals. Max will also bring prototype of an idea Jen had to better fasten banners to the front of tables. Max will also bring a new prize wheel. Future planning meetings are May 21, and August 20.

Ford Nationals we are going to have 30 X 40 tent, the biggest available. We need members to sign up 100 fords, be sure to select our club when you sign up.

Received items update from Jeff T. "Lorraine and I just got back from Florida. We have received 9 packages from different companies so far, mostly catalogs and stickers, but Hagerty sent some nice binders and hats. We got a banner/flag from Competition Cams."

Ford Dealer packets, Paul designed a more general pamphlet, which are being printed. We will be assembling them at the April Planning meeting. Besides the 30 Ford dealers we will make a few extra packets for used car dealers like Bill Fox's Auto Sales in Dover, whom specializes in Mustangs.

New Business:

Ken Appel has joined our club. Ken is the Event Manager for the Ford Nationals. Mustang Club owners Museum has asked us to become a Charter Club at \$300 for the initial year and \$250 for each following year to renew the program. Max asked the North central Club, who said they are not participating. The Board feels the cost is too high for a Museum that has not yet broken ground. All agreed. Barry added that he joined as a personal charter member. They will announce the opening date on National Mustang Day. Bylaws were revised, both Vice President job descriptions were revised.
