

MCCPA Planning Meeting, 1/21/17 at York Motorcycle Club, York PA.

Present: Max Remington, John & Rosemary Yakubowski, Bobby & Nora O'Farrel, Jeff & Lorraine Tiricik, Chris & Jen Gamber, Tom Anderson, Bill & Millie Schiel, Greg Charles, Paul Bellis.

President Max Remington began the meeting with General Announcements. He thanked Bobby for arranging the use of York Motorcycle Club facility. Max reported that the Club web site is up to date, that John Yakubowski was continuing to update show dates for 2017 and that membership renewals for 2017 are being accepted. The Board has chosen a new local T-shirt vendor that will allow for members to order the size and color they desire. Joe Grace from MCA has contacted Max and the Covered Bridge Cruise '16 article should be in the March edition of Mustang Times. Max has signed the contract for NMRA, May 5-7 and returned it. This event makes the Club a minimum of \$500. The Board has revised the point system for 2017 and it is on the Members page of website. The Board is working on a larger sponsor mailing to get more goodie bag items, raffle items and door prizes. The Board is working on sponsorship/new member packets for area Ford dealers. The Board is working on revised Bylaws. The duties of interacting with the MCA is being moved from Secretary to the MCA Regional Director. This year it will be Gary Golicher. Since some responsibilities have changed, The Board is looking at re defining the Vice President roles. The Club has purchased a flag for smaller shows and group pictures. MCCPA member Glen Beck looked into a cruise to the new Mustang Owners Museum in NC, however it does not look like it will be open until early Fall, so he is planning a cruise to The Simeone car collection in Philadelphia. Details to follow.

Planning Meeting Agenda

Spring Muscle Car Mayhem

Believed to be May 13, 2017. Purchases, food same as last year. Max is planning on constructing a Winners Backdrop from PVC. He asked if anyone had a checkered vinyl. We will continue with Top 20 awards.

Ford Nationals, June 2-4

Ken Appell has confirmed that they will put 3,000 Round Up Flyers in goodie bags. The flyers will be 8"x 14" again, we are looking for someone to print them for free. Two themes for this show had been put forward, 60's theme with tie-dyed t-shirts, or a celebration of MCCPA Silver Anniversary (25th). It was agreed to go with 25th year theme. Regarding the Club Picnic on Saturday, we discussed doing the cookout or cater since Kathy, who has coordinated the food would not be available this year. Max asked Ken about catering and Carlisle Events has three approved vendors. Jen Gamber was in touch with Marcellos, Premier, and Horner's BBQ. Horners was the least expensive and had a greater selection of items. It was decided The Club will cater this year contracting Horner's. The cutoff date for ordering a meal will be May 20, 2017. Paul is investigating new giveaway items, frisbee, eyeglass wipes along with shifter balls which were a big hit. The Club will pay for a weekend pass for the Gamber's Escape so we can ferry items from storage unit to Fairgrounds. All members are reminded to sign up for this event with Carlisle Events and to list MCCPA as your club to help us offset the cost of the tent.

Round Up, September 3

All 2016 classes will remain the same including the Focus Class. Max will meet with Focus people at Philly Auto Show. Max contacted two local Thunderbird Clubs with one responding, this club is older but not well organized. A question has come up concerning Shelys being produced by Ford, Max Will contact Barry to further investigate. Jen reported that food vendor Williams does not have a second cart, and does not appear amicable to a second food vendor. Jen will look into having Horners as our second food vendor. She has not heard from Halls the ice cream vendor. Max is looking to get Good Humor who is at Neffsville show. Max will drop vendor sites from website. The club will have a Silent Auction only this year.

Miscellaneous Paul presented two options for 25th Anniversary, the one with circle was approved. Sizzle & Chilly is not inviting Blue Moon Cruisers back, so we are the one and only club.

Other possible Planning Meeting dates: February 4, March 4, April 1, May 20, August TBA

Next Planning Meeting scheduled for February 5th, 1p – 4p at York Motorcycle Club.

Respectfully submitted by Bill Schie/ MCCPA Secretary
