6. **Old Business**

- **Round Up** – Paul provided a recap of Round Up, noting the day was a success, with 135 cars registered. He relayed that the Board discussed possible changes for future shows and asked members for input. Max Remington suggested eliminating the RMR class and possibly adding 6- and 4-cylinder classes. Paul noted the Board agreed with eliminating the RMR class and also recommended the following changes:

- Split the open Ford class into car and truck classes
- Divide the specialty classes by year rather than the current production and aftermarket classes
- Increase the number of baskets for the raffle
- Rearrange parking so participants are closer to the stage than spectators

7. New Business

- **Cruise Ideas** – Regarding a possible historical cruise in Gettysburg during peak fall foliage season, Paul suggested the Club may consider doing a bus tour of the battlefield in the morning, followed by free time for members to cruise on their own, with everyone meeting for dinner at the end.
- **Covered Bridge Cruise** – Paul noted volunteers are needed for handling meal tickets and registration, parking and unparking cars. Anyone interested in volunteering should email Mike Cole or Paul. He relayed that Mike is doing a run through of the route on September 22 and members may join him if interested.
- **2020 Officers** – Paul noted the club will need a new President, Treasurer and Secretary for 2020. He reported that the Board discussed creating committees for certain events to alleviate some of the responsibilities of the Board. The Board suggested the following committees: social media, Ford Nationals, Round Up, annual picnic, cruises/car shows, and annual banquet. He noted committee signup sheets were available at the meeting.

8. General Meeting and Planning Meeting Dates

Paul noted the last general meeting prior to the annual banquet will be on October 17.

9. Cruise/Shows/Other Events

Paul highlighted upcoming shows on the event calendar and reviewed the plans for the annual banquet. He noted the Club will leave for the pre-banquet cruise at 10:00 a.m., returning to Hoss's at 2:00 p.m. The room at Hoss's is reserved from 2-7 p.m. The Club discussed having bingo and Hot Wheel races at the banquet and attending the Ford vs. Ferrari movie afterward.

10. Other Business

Dennis Snyder inquired about the status of the meeting space for the Club at the new LCBC West Shore location. Paul reported the space will likely not be ready until at least March 2020.

Diane Snyder reported an issue with Round Up pre-registration and suggested the Club look at how to improve the process in the future. Paul suggested sending a receipt to registrants who pay by check so they have documentation of their registration to bring to the show.

Lorraine Turicik relayed that her church is collecting used small toys such as cars and Barbie dolls to be refurbished and given to children at local shelters. She asked that members with such items consider donating them at the next meeting or annual banquet.

Paul noted he would also like members to bring a donation to the annual banquet, possibly for Toys for Tots.

11. Next Meeting

The next meeting is Thursday, October 17, at Giant in Camp Hill.

12. Adjournment

The meeting was adjourned at 7:40 p.m.
