

MCCPA BOARD MEETING
Sunday, Feb 14, 2021

7:04 PM Brian called the meeting to order.

Approved Reports: Treasury, Secretary and accepted Membership.

OLD BUSINESS:

A. Club non-profit status. Jeanne Troy gave an excellent presentation on the pros and cons of being a non-profit organization. Her 25 years of experience as a consultant is a blessing to discern the direction to take. We as a board determined that there is no benefit to gaining this status, but would involve much more work. Agreed to not pursue non-profit status and leave things as they are.

B. Events to fight PMS {parked Mustang syndrome}
Suggestions: Middle creek, Brickerville House, different locations, Ford dealerships, race tracks, Coal mine area, looking for different locations for Cruise in / meeting on last Sunday of the month. Approval by all.

C. MCA membership – all done, Super1

D. Ford Nationals: food platter, Dave Houck – pick menu at next board meeting. We also include dessert and drinks. Maybe combine pulled pork and ½ chicken.

E. Round Up: Sept 18 at Adam Ricci Park. Committee set up to organize this event. Tents, food and product vendors. Discussed – judging, goody bag, many good ideas. Insurance – MCA twice a year is free.

F. 30 Year Anniversary: tabled

G. Board Meetings: 2nd Sunday each month, 7 pm Zoom Jan to Mar and then revisit. April, at cruise ins last Sunday of month. April to Oct.

J. Door prize cost. Lorraine and Deb will work together for a letter head to use for contact local businesses for donations.
