

MCCPA General Meeting

January 17, 2021
7:00 pm/via zoom

Brian called the meeting to order at 7:09 PM

Secretary read the last General Meeting's report. Brian motioned to approve, Doug seconded, all in favor.

Brian read the Treasury report provided by Dennis, who is doing a super job. Brian moved, Barb seconded, all approve.

Lorraine read the Membership report, reminding us that the discount is good till April 15. No motion to accept is required.

Brian thanked the board for help, especially Paul – our zoom master and Max for the web site.

Round Up – Carlisle. Brian spoke with Ken and our date for September 18 has already been taken over by another group. No other dates open, Brian set up September 4.

Paul suggested to look for other locations. Suggestions: East Coast Racing Museum, National Civil War Museum, Grantville/Hummelstown Township building, Adam Ricci Park in Enola.

Jeanne reached out to George Tyson, he has secured the new part at Adams Ricci Park for us (the big lot and space across from the original park) for 9/18 from 7 AM -3 PM/ish.

Brian opened a discussion on how to judge this show. Less popularity, equal playing field, and not club members winning. Volunteers are needed to judge. Baylee reminded us that some car owners have more funds to do things to their car, others work harder to do what they can. Celebrity judge was also suggested. Brian will iron out more details. Barry suggested judging using MCS rules, more fair than popular vote. Peoples' choice voting also discussed.

Baylee and Val are looking into doing shirts, etc for the club and this event. Chris will be emailing to Brian some information for apparel. Baylee also set up our fantastic FB group page.

More discussion is needed to pull this event together, won't you contact Brian and volunteer to help make this an event to remember?

Charity / Events – Several suggestions were brought up at our Board meeting. Anyone having a suggestion please contact Brian. Leg up Farms Event is Sat, June 26, funds are owed to them from last year and Dennis is taking care of this. Barb spoke about the tour she has experienced their and suggested we ask for one. She and Ira will do the 50/50 tickets at this event. Paul suggested we donate our time to help with this event.

Paul and many of us HOPE for more shows and events this year. LCBC in Manheim is holding their show Sat, June 12 back up date is Sat, August 14. FREE Maple donuts and Turkey Hill ice cream. {Ladies and gentlemen – Start your engines}

Jeanne suggested the website link is added to the top of our email. Baylee suggested adding the user ID and password for members to use.

Paul shared information for Hope Grace Church in Dillsburg on May 29. Possible parades were brought up by Barb, American Legion in Linglestown. We do need at least five cars.

Motor Sport Nationals – Maple Grove, June 25 to 27.

Brian ended the meeting at 8:12 PM.

Park your ponies inside – snow tonight into tomorrow! Stay in and eat cake!

Deb Keener
Secretary
