OLD BUSINESS:

1. Discussion on Location for Meetings.

Dennis brought up moving the meetings back to Giant and he wanted a vote taken again. He cited the cost, \$20 per month more at the Elks. He also wants a projector for sharing the treasury report. Thank you to Ray Reno for purchasing and donating a projector screen and projector to the club.

Pros for Giant discussed: \$20 more than Elks.

Cons for Giant discussed: loud, white noise; several members would not attend because they could not hear.

Only Giant food may be brought into the meeting.

The parking lot is not as secure and the concern is that our cars might be hit or dinged.

Unknown if even open to meet there since Covid, when discussed.

Several members offered to cover the additional cost being paid at the Elks.

The Elks Lodge gives much back to the community.

Discussed at June 17, 2021 meeting and the majority voted to stay at the Elks. See secretary report.

NOTE: I contacted the Giant, yes, it is now reopened. No, our time is not available.

Another option in Dillsburg was discussed, however roads and parking are not paved. Also not centrally located as Camp Hill is.

NEW BUSINESS:

1. *Research for 2022, location was suggested to be considered next year.*

End with introduction and say what Mustang owned.

3:54 PM Brian ended the meeting.

4:00 PM, Banquet till 7 PM {48 PEOPLE ATTENDED.}

A huge **thank you** to everyone who helped to make the banquet a wonderful time!

Deb Keener,
Secretary
